- **Inform Schools/Colleges/VIO's/community groups of Saltire:**
  - Information regarding change over sent by post to MV registered organisations
  - Meetings with school guidance staff- focused on recognising current practice
  - Saltire information sessions for organisations

- **Database development:**
  - System to manage certificate requests developed
- **Promotion to Young People:**
  - Saltire Award information was incorporated into our Youth engagement project- 1296 young people since April

- **Young people invited to become Saltire Ambassadors**
- **Development of Saltire lunch clubs**
  - designed to be delivered by us with view to future hand over

- **126 young people** achieved certificates so far
- Interest and registrations from both schools and VIO's that had not previously engaged- particularly attracted by the link to Curriculum for Excellence

- Saltire incorporated into High School Programmes  
(St Thomas')
- More opportunities for young people under 16  
(Castlebrae Community Centre)
- More examples of good practice  
(The Ripple Project)

# CHALLENGES

- Maintaining relationships with large MV providing organisations- this will be specific to the pilot
- School staffing cuts
